

HUO HUAN – A LAND OF SAND AND STONE

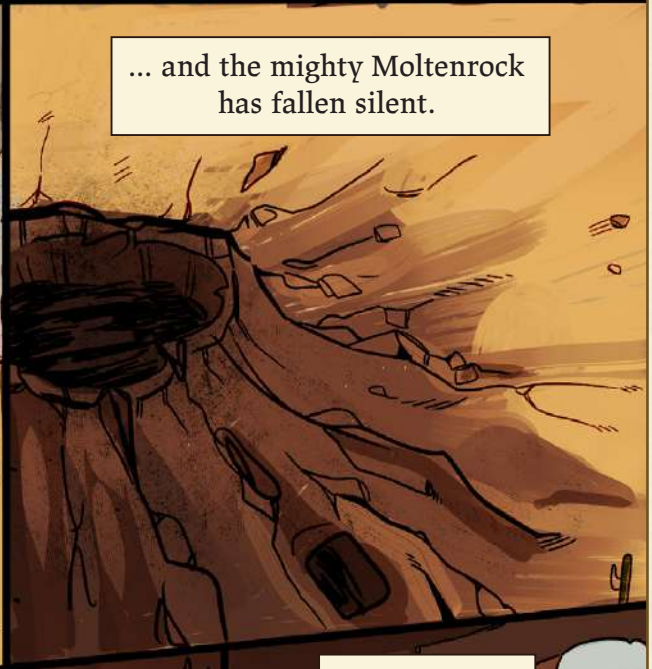

... and Labyrinth below.

The hardest of Book Bugs call this place their home, roaming the desert above...

But something strange is afoot. These molten lands have turned to cinder...

... and the mighty Moltenrock has fallen silent.

Fearless explorer Bugs have gone into the Labyrinth, never to be seen again.

But the Bugs of Huo Huan are known for their fierce spirit.

And all is not lost yet.

There are faint footprints! Where do they lead to?

To be continued...
