

# SOLARIS – A UTOPIA OF EXPLORATION AND INVENTION

... and resourceful space scavengers...

Once home to Bugtopia's top researchers, inventors...

... the space station has begun to malfunction.

I'm tired of being forgotten and unwanted! But... I didn't mean for any of this to happen...

I'm... important?

You are more important than you know. For new stories to begin, old ones must end.

Every Book Bug and every story needs you!

Meanwhile, Attie and the Guardians close in on The End Bug...

As The End Bug turned over a new leaf, finding his true calling in every story, Bugtopia flourished again.

With Bugtopia rescued and The End Bug redeemed, we have finally come to...

**THE END.**
