These letters are all mixed up!  
Help George unscramble the words.

\*Hint: These are the names of the animals in George's tummy.

- Activity for: Bark George
- Author: Jules Feiffer
- Call Number: JP FEI

Dogs are supposed to bark but no matter how many times his mother asks him to bark, George just makes the sounds of other animals. His mother decides to bring him to the vet. Have fun guessing what the vet pulls out from George's mouth.
