

PLANTS

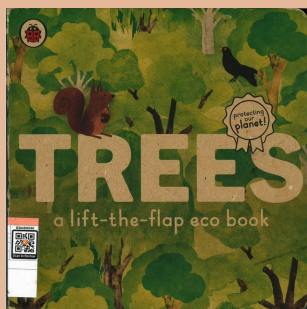

Trees

By: Carmen Saldaña

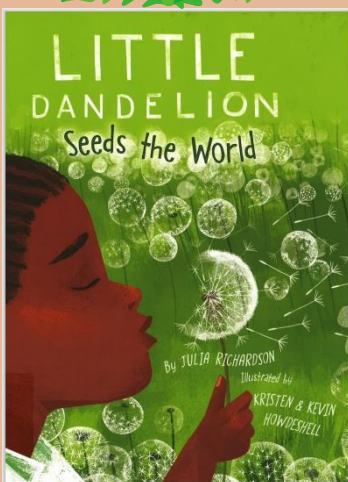

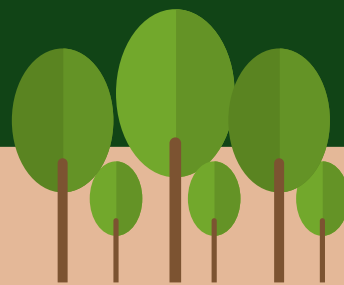

Publisher: London : Penguin Random House Children's UK, 2020

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 582.16 SAL

Why are trees so important, and what can you do to help? Join the fight to save our planet with this eco-friendly book about trees.

Little Dandelion Seeds the World

By: Julia Richardson and Kristen & Kevin Howdeshell

Publisher: Ann Arbor, Michigan : Sleeping Bear Press, [2021]

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 583 RIC

Dandelions thrive on all seven continents. The blooms are among the most resilient and adaptable in the world. Learn how the crafty plant travels on the wind and hitchhikes in all manner of ways in order to spread far and wide. Includes a map and back matter on dandelions.

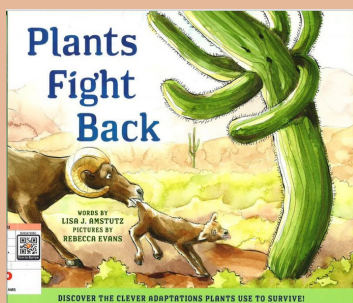

Plants Fight Back

By: Lisa J. Amstutz and Rebecca Evans

Publisher: Naperville, Illinois : Dawn Publications, [2021]

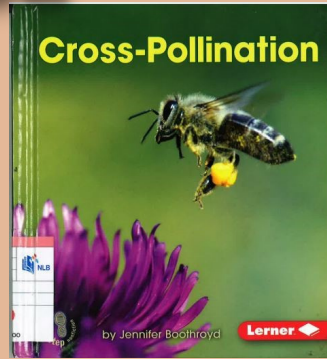

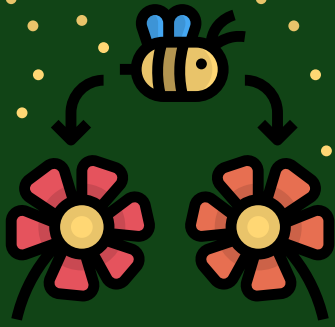

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 581.4 AMS

The clever ways plants protect themselves from being eaten by hungry herbivores are humorously described in rhyming verses. Plants fight back with prickles, thorns, grit, goo, and other adaptations. Includes fascinating facts and STEM activities.

Cross-Pollination

By: Jennifer Boothroyd

Publisher: Minneapolis : Lerner Publications Company, [2015]

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 576.8 BOO

Some plants need to have pollen spread from one plant to another flower in order to reproduce. Readers will learn the steps in the cross-pollination process in this book. Simple text and supportive photos and diagrams help readers grasp key ideas and details about this important science concept.

Flowers are Calling

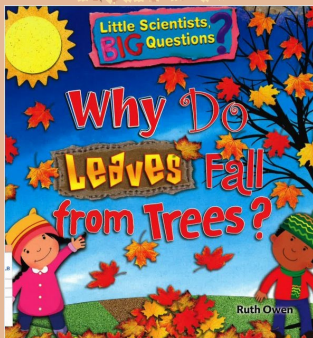

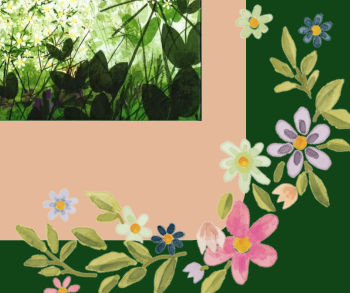

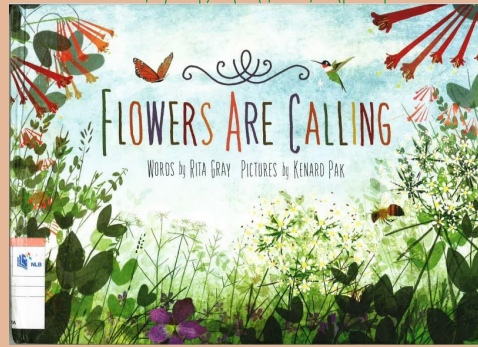

By: Rita Gray and Pak Kenard

Publisher: Boston : Houghton Mifflin Harcourt, [2015]

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 582.13 GRA

Rhyming text explores the wonders of natural cooperation between flowers and the animals and insects of the forest.

Why do Leaves fall from Trees?

By: Ruth Owen

Publisher: New York, NY : Windmill Books, 2020

Section: Early Literacy Picture Books / Non Fiction

Call Number: English 581.4 OWE

This book explains how leaves use chlorophyll in the summer to create food for trees, and how in the autumn the tree prepares for rest during the winter by stopping this process and falling to the ground.
