

Holiday Specials: Animal Finger Puppets

Materials needed:

- Thick coloured papers or scrap papers
- Scissors or a penknife
- Colouring materials
- Glue
- A pencil
- Circle stencil

1. First, draw 1 big circle and 1 medium circle using your circle stencil. These circles will be the basic shapes to create your animal finger puppets.

2. Draw additional features of your chosen animal (e.g. ears, beak, wings). Draw and colour your chosen animal.

3. Cut out the circles and animal features and glue them together.
4. At the base of the big circle, draw out 1.5cm circles to fit your fingers and cut them out using scissors or a penknife.

5. There you have it! Your very own animal finger puppet. You can play with shapes other than circles to create different kinds of animals.
