

Holiday Specials: Make Your Own Dragon Book Corner!

Materials needed:

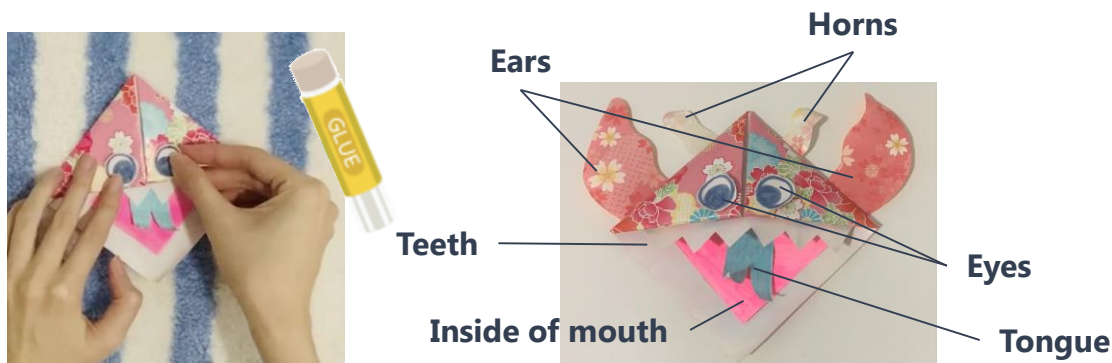

- Origami paper of at least 15cm by 15cm, or cut out any paper (e.g. construction paper or wrapping paper) to the same size.
- Scissors
- Glue or tape
- Colouring materials

- 1) Using one piece of origami paper, follow the steps below to fold your book corner.

Holiday Specials: Make Your Own Dragon Book Corner!

- 2) Be creative and draw your own template on another piece of paper, or print and cut out the template in Appendix 1. You can also use other materials, such as googly eyes, to replace parts of the dragon below.
 - Ears
 - Horns
 - Eyes
 - Tongue
 - Teeth
 - Inside of mouth
- 3) Paste the parts of the dragon to the book corner using glue or tape. Paste the teeth inside the mouth, on the upper side, and the ears and horns on the back of the book corner.

- 4) Yay! You've made your dragon book corner! Now use it as a bookmark!
