

Reach Out for the Skies

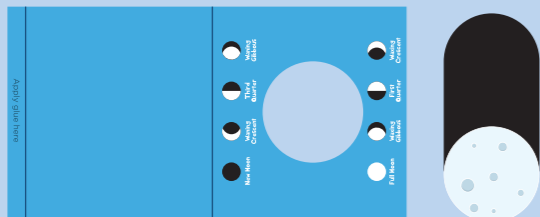

Upper Primary

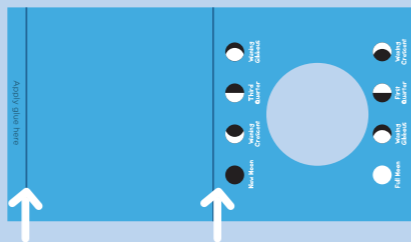

Challenge 1: Moon Phase Slider

Follow these steps to create your own!

1 Pop out the two templates below.

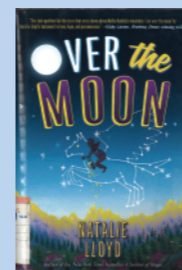

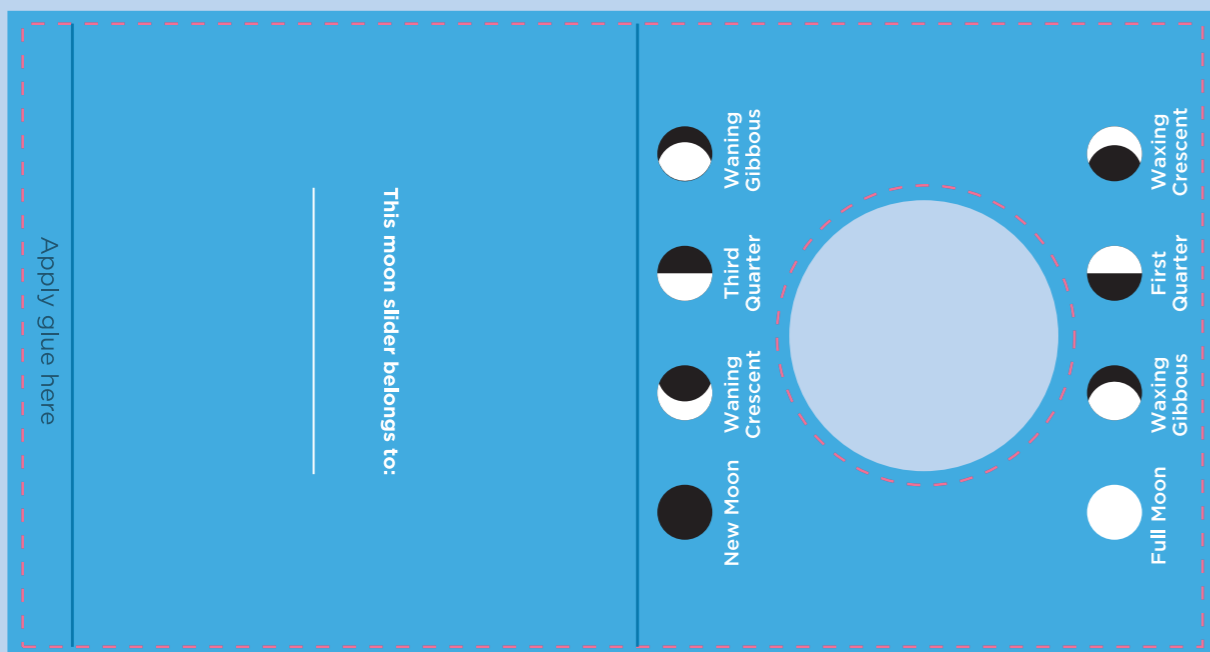

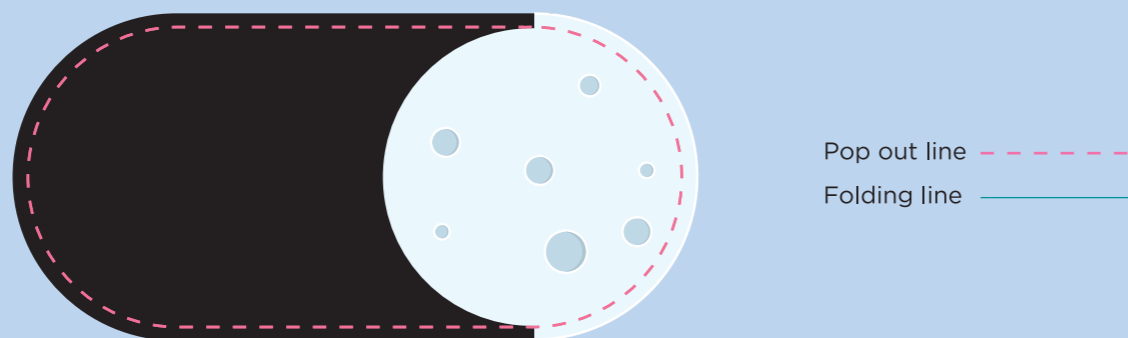

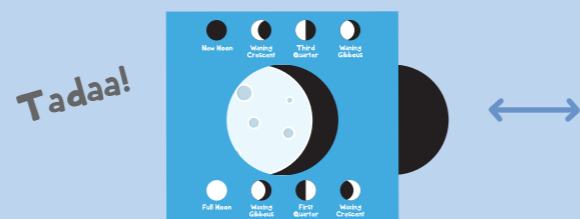

2 Fold the blue template along the folding lines.

3 Apply the glue to where it is indicated and stick the two opposite ends together.

4 Now take the other piece and slot it into the blue template to complete your slider.

Storybook

Title: Over the Moon, page 16
Author: Natalie Lloyd
Call No.: J LLO
Publisher: Scholastic Press, 2019

Excerpt

I reach up-gently-and take the bright patch between my muddy fingers. Flatten it against my palm.

This is how starlight feels:
 Cool like wind,
 Soft as a feather,
 Special as a spoken wish.

My little brother will love to see this, I decide. He'll be as happy as I am to know there's a little piece of bright magic still floating through this dark world.

The Starpatch pulses so bright against my hand that I feel like it's alive somehow.

Let's Discuss

1. Name one constellation and share a fun fact about it.

Answer:

2. What are some important characteristics an astronaut should have?

Answer:

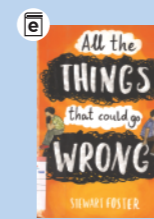

3. Imagine you are an astronaut, how would you prepare for a journey to space?

Answer:
