ACTIVITY 5

WORLD POETRY DAY BOOK DISPLAY

You can set up a poetry book display to coincide with World Poetry Day, which is celebrated on 21 March every year. You may enlarge the poster on the reverse page and put it up along with some sample poems.

To celebrate the occasion, students can create poems during their library period. Alternatively, you may provide some materials at the book display for students to create their own poems. Here are some suggestions:

NURSERY RHYME

Students can be asked to fill in the blanks of well-known nursery rhymes. For example,

Little Miss Muffet
Sat on her _____
Eating her curds and whey
Along came _____
Who sat down beside her
And frightened Miss Muffet away

HAIKU

Students can create their own haiku based on a theme (e.g. an ode to their favourite food)

ACROSTIC POEM

Students can create their own acrostic poem based on a theme (e.g. describe yourself by using the letters of your name or nickname)

FOUND POEM

Materials

- 1 Cut-outs of words and phrases (you can ask your student librarians or parent volunteers to cut them from recycled newspapers, magazines and brochures)
- 2 Craft materials (Glue, Pencils)
- 3 Blank cards
- 4 A box or a jar for students to randomly pick the words out

Instructions

- 1 Find 10 paper cut-outs and arrange the words into a poem
- 2 Once students are happy with their poem, paste the paper cut-outs on the blank card
- 3 Write their name and class on the card

Note: To raise the difficulty of the activity, you may consider increasing the number of paper cut-outs and complexity of the poem

POETRY

NURSERY RHYME

A nursery rhyme is a traditional poem or song for children. You may have read them when you were younger, such as 'Row, Row, Row Your Boat' and 'Hickory Dickory Dock'.

HAIKU

A haiku is a form of traditional Japanese poetry. Haiku poems consist of 3 lines – there are 5 syllables in the first line, 7 syllables in the second line and 5 syllables in the third line.

Poems are a set of written words that express an idea, emotions, or a story. Writers use rhythm, rhyme, and other techniques to make the words come alive.

ACROSTIC

An acrostic poem is where the first letters of each line spell out a word, phrase, or sentence.

FOUND

A found poem is created by finding interesting words and rearranging those words to make a poem.

ACTIVITY 6

THE KINDNESS TREE BOOK DISPLAY

Encourage students to be kind to each other and send a message against bullying by creating a Kindness Tree.

You may also put up an accompanying book display in the school library. Feature books and quotes on kindness or other related topics, such as courage, friendship, anti-bullying, and empathy.

Leaf template:

Materials

- 1 Coloured paper (varying colours can be used for different leaves)
- 2 Pencils
- 3 Scissors
- 4 Blu Tack

Instructions

- 1 Print the template of the leaves below on coloured paper and cut them out.
- 2 Students may write:
 - A note to thank someone in school who was kind to them.
 - An act of kindness they have read about in a book.
 - A quote by a famous person or their own message on kindness.
- 3 Use the completed paper leaves to create a Kindness Tree as part of the book display.

“

No kind action ever stops with itself. **One kind action leads to another.** Good example is followed.

A single act of kindness throws out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves.
