Boo!

My name is Rooky. My friends and I form the Monsters United.

I hail from Planet Spooky and I love to read horror fiction and non-fiction books. There is something about the horror genre that makes me go SPOOKYY!

In this Horrific Adventure book, you can find fun activities to do and recommendations of some of my favourite horror books. There are also pages for you to write about the books you have read and the frightening facts you have uncovered.

My friends are similarly working on their own books. I hope you will collect all our adventure books so we can always keep each other company!

Visit our website or scan the QR code to find out about our next outings and adventures in the libraries: <http://www.nlb.gov.sg/discovereads/monsters-united/>.

Please do not run away when you see me at the libraries, I really won't bite! I only eat red apples.

Slimy and gooey,

*Rooky*
